MINISTRIES

WHERE ?

The world is divided into two hemispheres at the Equator. From there, 23.5 Latitude North and 23.5 Latitude South, between the Tropic of Capricorn and Cancer, is where the world's tropical rainforests are located. Rainforests are green areas. And in these green areas there are tribal people groups who live and die every day without knowing who Jesus Christ is.

THE MISSION

CONNECTING THE BODY OF CHRIST WHERE THE CHURCH IS TO BUILD THE BODY OF CHRIST WHERE THE CHURCH IS NOT

THE TASK

JOIN US IN THE EFFORTS TO
REACH THE LEAST
REACHABLE OF THE WORLD

ENGAGE

We need to go where they are just like God the Father sent His SON to be with us. This is how we can truly know their real need.

EMPOWER

We need to listen to their real needs and work together to empower for true discipleship.

ENCOURAGE

Jesus said He will be with us forever! We need to encourage each other to complete His Great Commission,

"And this GOSPEL of the kingdom will be PREACHED in the whole world as a TESTIMONY to ALL NATIONS and then the end will come". Jesus (Matthew 24:14)
